

Dear Elevate CBD Customers,

Thank you for purchasing Elevate CBD Pet Products. \$1.00 of every item purchased through November 30th is contributed to North Shore Animal League.

You're helping North Shore rescue thousands of defenseless pets from overcrowded municipal shelters, abusive and inhumane conditions, while also providing them with the medical attention and nurturing care they need to be ready for adoption.

The power of your support doesn't end here either – join North Shore's online community today to learn even more about the amazing work you make possible:
